- Grey hull

MANUFACTURERS DESCRIPTION

- HULL NUMBER = 2020 / FIRST COMMISSIONED IN 2022
- A refined day boat and versatile sports/ tow boat all rolled in to 8 metres of sportiness and elegance.
- With a distinctly vertical stem and fluid lines. A high-performance hull and exclusive design. The E26 Rider with an outboard engine, a boat with unprecedented characteristics, versatile products and a unique design.
- On the Rider, the bow deck comprises a lounge area with a floor on the same level as the cockpit. It can be easily and safely reached via an opening in the centre of the boat, even while the boat is moving. Two opposite facing sofas, on either wall, can be used to open up the bow deck.
- The distribution of the spaces flow harmoniously through the centre of the boat and the cockpit is the true heart of this yacht: it's elegant, and surprisingly spacious, and with functional solutions that offers maximum freedom to those on board.
- In perfect symmetry, there are two large wall sofas facing each other, while the pilot and co-pilot have swivel chairs that can turn towards the sofas to create an extension of the entertainment area. To the left of the navigation area, there's a small sink and a small table.
- At the stern, the outboard engine is located between two decks: an elegant add-on used as a beach area, both facilitating access to the water, which is easier and more practical, and access in and out of the water, assisted by a retractable ladder.

DISCLAIMER

The Company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.
